

BIG SKIES TRANSFER & PARKING FEES

The road leading to the camp is challenging, and **only skilled drivers with suitable 4x4 or all-terrain vehicles should use it.**

If self driving to the camp is not an option, **we provide a safe guest parking area monitored by a 24/7 security guard.** You can also **arrange a transfer** through our trusted third-party community partner **during the reservation process.**

Please check below for the scheduled transfer times as well as the rate card
